Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Southampton Village Sewer System Phase I in fiscal year 2024. The entity to receive funding for this project is the Village of Southampton, located at 23 Main Street, Southampton, NY 11968. The funding would be used for installing a sewer system to replace the septic systems that the people currently use. The project is an appropriate use of taxpayer funds because it would reduce the nitrogen load flowing into Lake Agawam and provides the village with a centralized sewer system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
